

# Invention Invasion & STEAM Spectacular

(science, technology, engineering, art, mathematics)

Tuesday March 26th, 2024, 6-7:30PM  
Cabot Cafeteria

## What is Invention Invasion / STEAM Spectacular ?

Invention Invasion & STEAM Spectacular is Cabot School's science and technology fair featuring inventions and experiments by Cabot students! During the event, we will have students present their work as well as guest presentations and STEAM activities for all kids.

## I'm in! What do I need to do/bring?

- **Now:** Start thinking and planning out your ideas, read the [guideline](#) for suggestions, and supporting [resources](#).
- **\*By March 23rd:** Register to attend the event using this [Google form](#) (individually or as a team)  
**\*Online registration is required**
- **Now through March 9th-** Work on your invention/experiment. Click [here](#) for mentor support opportunities with the NNHS(Newton North High School) STEM Mentors.
- **On March 26th: Showcase:**  
Set up your:
  - Invention, experiment, or creation
  - A visual that explain your process (ex: poster, video, booklet...etc)
  - Bring your family and friends to celebrate
