

Hello Bulldog Families!

My name is Stacy Ganz Kahn and I have had the honor of serving as WCHS PTSA president for the past two years. My term as president will come to a close in July. I will, however, be taking on a new and very important PTSA role as Special Education Chairperson. I am beyond thrilled to have been elected to this position.

Special education is my passion. I have had the pleasure of spending the last 30 years working in the special education field in various capacities. Currently, I am an educational advocate and consultant. As PTSA Special Education Chairperson, I am excited to team up with the wonderful WCHS administration, staff, parents/guardians, and students. Together, we will work to ensure that our special education programs and resources at WCHS are top notch!

I am reaching out to the WCHS community to ask for parent/guardian, staff, and student volunteers who would be interested in serving on the newly-formed PTSA Special Education Committee. By joining this committee, you will learn much from others, you will have fun, and you will make a positive impact on the WCHS special education community. If you are interested in serving on this committee, please fill out this google form: <https://forms.gle/q9YaAFUmehbEChZn8>

I am very excited to start this new PTSA chapter with you! I look forward to working for you and with you!

Sincerely,

Stacy
