

Dripping Springs Band Boosters Sponsorship Opportunities

2021-2022

Dripping Springs Band Boosters would like to thank you for your past support of music education in Dripping Springs. We simply cannot accomplish all of our goals without generous donors from our community. The past months have proven challenging for everyone, but our students have had a particularly difficult time. The band program provides much needed comradery while also teaching skills that will continue to serve the students throughout their life.

We are currently seeking both Corporate Sponsors and support for one of our largest fundraising events: Thunder in the Hills.

The Dripping Springs Marching Band hosts the Thunder in the Hills (TITH) percussion invitational each fall. 24 percussion units from Austin, San Antonio and Houston attended our last competition. It is coming up fast - Saturday, September 18th and we could really use your support. Sponsor packages for the event range from \$50 to \$300. It is an excellent way to support the band and advertise your business at the same time.

If you are interested in supporting the band through TITH sponsorship additional information can be found at the following link:

[Thunder In The Hills Sponsorship](#)

Corporate sponsorship of the entire band program is another outstanding way to support the band and has some great benefits including recognition on the band website and Facebook page. The deadline to have a banner at the football game concession stand this fall is quickly approaching.

You can find additional information on sponsorship levels here:

[Corporate Sponsorship](#)

We truly appreciate your support. Your generosity helps us support the Dripping Springs Band Program in providing superior music instruction to our children as part of a well-rounded education.

Go Band!
