**Solo and Ensemble Accompanist rehearsals:** Be sure to have all your measures numbered and tempos set. Be at the door of the practice room your accompanist is assigned to 5 minutes before your time starts. Be warmed up and ready to go. If you have cadenzas, or places the stop and start be sure to have an idea of how you want those to work. There is very little wiggle room for make up sessions if you miss your assigned time, so please make every effort to attend.
