

On Thursday, May 18, we will celebrate all students with birthdays in **May**, as well as students with **June** and **July** birthdays. Birthday students are invited to eat at a special table in the cafeteria during their lunch period to receive their birthday popsicle and Handel's gift card.

We invite their parents, guardians, or special adults to join them for lunch. If their adult can't join, each student can invite one friend to join them at the birthday table.

Below are the lunch periods for each grade:
