

Liberty PTA members are welcome to provide a recommendation(s) for the PTA Honorary Life Membership Awards.

These prestigious awards recognize an individual who is:

- **invested in the well-being of children and whose service hours have enriched the learning experience for Liberty Elementary School.**

**And is ....**

- **A positive role model showing respect for the entire Liberty Elementary campus including all faculty/staff members, administrators, parents, students, etc.**

If the nominee recommendation is a community leader member, but not a parent/guardian at Liberty Elementary, the nominee must have made a significant contribution that has been beneficial to the entire school.

Please send an email to **toddarina@gmail.com** by **Friday, December 17** with your recommendation(s) and **brief comments** to be reviewed by the Membership Nominating Committee.
