

BES TAKE-APART NIGHT

March 30th 6:30 – 8PM

The BES PTA invites BES families to please join us for the return of Branchville's Take-Apart Night in the BES Cafeteria! **This night of family fun is free of charge and NOT a drop off event.**

Kids will have a chance to see how things work and use their hands (and some cool tools) to explore items they use and see every day.

What to Bring (and NOT BRING) to the Event:

- 1. Any old mechanical-type small appliances and contraptions.** Old VCRs, printers, hairdryers, toasters, electronic toys, coffee makers, phones, CD players are great. (Note: They won't be put back together -- so don't bring anything you are still using). Devices with motors, gears, moving parts are great.
- 2. Bring your take-apart item, safety goggles (if you own them), a Phillips-head screwdriver, a flat-head screwdriver, some newspaper and a trash bag (you are responsible for removing your debris/parts) to the BES cafeteria by 6:30pm.** The event is only an hour-and-a half long and it takes some time to get those screws loosened – so please be on time!

SAFETY NOTICE: Printers need cartridges removed prior to arrival. All cords must be pre-cut or will be cut at the door for safety reasons. No hammers and no monitors please. We will have some safety goggles you can borrow but if you have your own, please bring them.

While this event is free of charge, we are asking families to kindly RSVP

AMERICANS WITH DISABILITIES ACT: Anyone requiring special accommodations due to disability is asked to contact Principal Keith Margolus
